Update on the last year

As we kick off the new year, we are proud to look back at everything Lowe Property Care Ltd has accomplished over the last year. It's been a year of growth, resilience, and hard work, and we couldn't have done it without the support of our team and valued clients.

Here are some of the highlights:

- We continue to deliver reliable and efficient maintenance services, ensuring the properties we manage remain in excellent condition.
- After a significant leak in a block of flats we maintain, we completed a full refurbishment

of the affected property, restoring it to a high standard.

- Following a severe flood in another flat, our team stepped in to strip and completely refurbish the entire property, delivering a fresh and functional new space.
- From upgrading kitchens to completing full property redecoration, we've been busy enhancing the homes of many happy residents.
- A complete property clean, including the roof to improve both aesthetics and longevity.
- To keep up with growing demand, we've expanded our team, both out on the road and in the office. This allows us to serve more clients efficiency while continuing to provide high-quality service that we're known for.

We're incredibly proud of these achievements and look forward to building on this momentum in the year ahead.

Here's to another year of growth, service and success!
