UPDATES AT LPC

New office update:

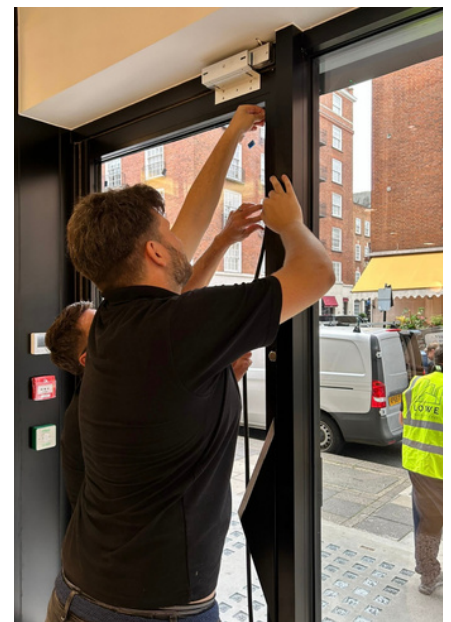

We are excited to share that we have recently moved into our new office space! The new environment is already having a positive impact on our team. With more room to collaborate, improved facilities, and a fresh atmosphere.

Our team has quickly adapted and is working together well. We truly appreciate the hard work and dedication of all our staff.

Teamwork at its best:

We recently completed a job that involved replacing a double-glazed window in a door - a task that required precision, care and coordination. Thanks to excellent teamwork, the job was complete efficiently and to a high standard.

Well done to the team for a job well done!

Property Deep Clean and Maintenance

As part of our ongoing commitment to quality and care, our team recently carried out a comprehensive refresh at a property. The goal was to ensure the space remains clean, safe and welcoming.

Works completed during the visits included:

- Bathroom Lino re-secured and air bubbles removed for a smooth finish;
- Old silicone around the sinks removed and replaced with new sealant;
- Installation of a new carbon monoxide alarm;
- Replacement of any faulty or missing light bulbs;
- Paint touch-ups throughout to maintain a fresh appearance;
- A full deep clean of the entire property, including carpets.

We're proud of the team's attention to detail and the high standard of work delivered. A big thank you to everyone involved for their hard work and professionalism
