

# LOWE PROPERTY CARE

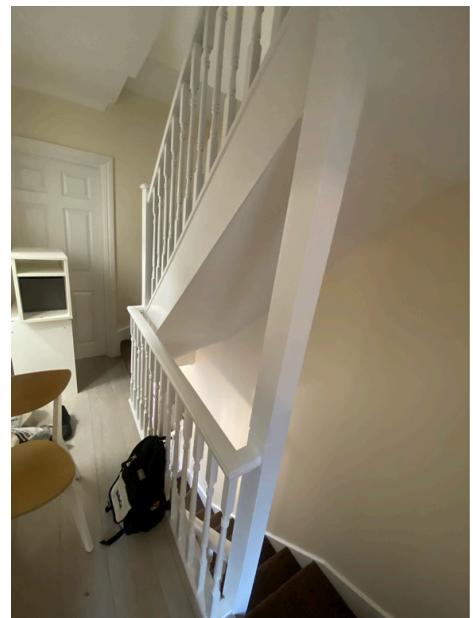

## UPDATES AT LPC

### What's new at Lowe Property Care:

As the summer period comes to a close, we are pleased to share that the LPC team is fully focused and ready for the months ahead. We are proud of the collaborative effort across every department and remain committed to delivering reliable, high-quality services.

### Latest jobs at LPC:

- We are also pleased to continue our partnership with Hopefield Animal Sanctuary, where we recently completed the installation of a new base and wash station to further support their important work.
- Our team has completed a range of works for various properties including painting, ceiling and banister repairs, garden jet washing and de-weeding. Additional tasks included plumbing repairs, electrical works and finishings such as removed and re-applied silicone to both shower trays, reinstating a floor trim and fitting a new en-suite handle and light.

## Latest jobs LPC has completed

### Complete Office Furniture Removal

Our team recently completed a full office furniture removal project to support a client's relocation.

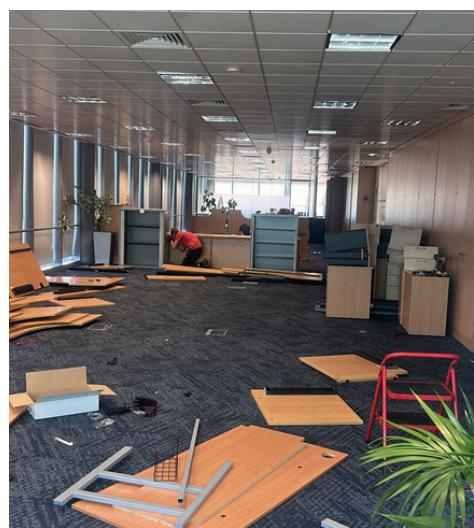

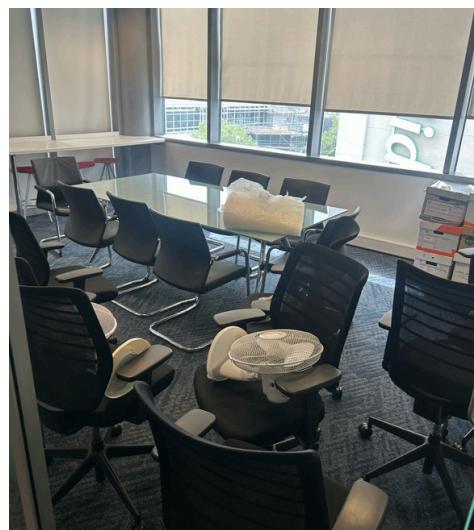

The works involved carefully dismantling desks, storage units and meeting room furniture.

Close teamwork was essential, with each member of the team taking responsibility for different areas to ensure the process ran smoothly and on schedule.

The project required hard work and coordination, particularly when moving larger items through narrow access points.

By working efficiently and supporting one another, we were able to complete the removal with minimal disruption to the client.

This project demonstrated the strength of our team and our ability to deliver reliable results even on large moves.
