## *A Year of Care, A Season of Thanks*

This year we have deepened our volunteering and support for Hopefield, continuing a hands-on partnership we're really proud of.

- We have had plenty of team days - tools out, sleeves up - supporting with repairs, tidying their sanctuary and minor improvements across the site.
- We have continued to do work around the sanctuary. We have installed and upgraded lighting around the whole area to improve safety, visibility and evening access.

### Looking ahead to 2026

We are excited for a new year of growth, open to new challenges and projects, expanding our team and building on the strong foundations we set in 2025.

If you have works in mind for the new year, big or small, we would love to be a part of it!
